SCHOOL FEES BY DIRECT DEBIT

Direct Debiting is St Anthony’s School preferred method of fee collection. Direct Debiting allows the Archdiocesan Development Fund (ADF), to deduct from your account an agreed amount each month, on behalf of St Anthony’s School, to cover any or all of School Fees, Capital Levy, Building Fund Contribution, Parents Network Group Levy or Camp Fees.

BENEFITS
- the transmission occurs automatically each month
- the transmission is secure - no cash changes hands
- the process of counting and banking funds is greatly reduced
- the ADF DOES NOT charge your account for this service
- the ADF guarantees complete confidentiality on behalf of St Anthony’s School

CONSIDERATIONS
- The rejection of a direct debit by your bank due to insufficient funds in the nominated account incurs charges to your account from your bank or financial institution. These charges are completely outside the control of the ADF or St Anthony’s School. In addition, the ADF will charge the school a $1.10 rejection fee for every direct debit that is rejected due to insufficient funds being available in the family’s nominated bank account. This fee will be passed on to the family.
- You will need to contact your bank or financial institution to establish if your account is suitable for direct debiting to occur. Credit card and passbook accounts cannot be used for direct debits.
- Because school fees will change from year to year, direct debiting for School Fees will only operate from February to November in any nominated year (10 months). A new direct debit advice will need to be provided each year. Monthly debits must also be of equal amounts.
