Ngutana Lui Centre Incursion

29th of February, 2016

Dear Year 4 Parents and Guardians,

As part of our study of Aboriginal Culture this term, we have invited instructors from the Brisbane Catholic Education Ngutana Lui Centre to conduct a number of sessions guiding the children in a range of passive and hands-on activities. These sessions will include the study of native plants used by local indigenous peoples, discussion about hunting and weaponry, looking at the role of art in Aboriginal culture and information about transport and education.

Ngutana Lui Centre staff members are employed by Brisbane Catholic Education and regularly run workshops at schools and at their own premises. They are very highly experienced. The incursion will be conducted on our school grounds on Tuesday the 1st of March, during normal school hours. We anticipate that it will be an engaging and informative learning experience.

Please fill out and have your child return the form below.

Kind regards,

Judy Sorbello, Narelle Todd, Thomas McLean
Year 4 Classroom Teachers
