Dear Parents/Carers

Parents & Friends Association – Annual General Meeting November 12th 2015

Due to a decision made earlier this year, the AGM has been moved from March to later in the year. This year it will be in November and in subsequent years it will be held in October. This move will allow for greater support of any incoming new executive members as the outgoing members will have the time and opportunity to assist with any questions regarding the executive roles. We are hoping that this overlap will reduce any concerns held by members of our community about not having the skills or knowledge to fulfill a P & F position.

The P & F in the last few years have provided the funds for key projects such as air-conditioned classrooms, shade covered seated areas, the overhead fan in the San Antonio centre, sporting equipment and uniforms, literacy and numeracy resources, IT resources and Prep classroom refurbishment. Furthermore the P & F play a very important role in our school community as supporters of many of the events held at the school each year. We support and run community events such as the Fiesta, School Disco, Invitational cross country, Walkathon, Family Fun Day, Father’s Day stall, World Teachers’ Day, and many more. We are here to support our school to the benefit of all our children.

All these things are only achieved because parents and friends of our school care enough to become involved. Please reflect on ways that YOU can become involved – whether it is volunteering at one of the many events, or by taking on a bigger role on the executive and helping determine the many ways we can help improve our wonderful school and school community.

Please come along to the AGM and meeting on November 12th at 7pm in the school administration building and see for yourself how important the P and F is to our school.

Looking forward to seeing you there.

Kind Regards

Anne Swann
P & F President
