Before School Care operates from 6.30am to 9.00am. A nutritional breakfast is provided for early arrivals.

After School Care operates from 2.30pm to 6.00pm.

The service is very flexible as long as an enrolment form has been completed before the day of care required. The program provides a safe and friendly environment where children can take part in a range of activities such as craft, games, sports and adventure playground. At a parent’s request, homework can be initiated. The cost depends on your Child Care Assistance from Centrelink (Phone 13 61 50). For further information phone the Redland City Council’s Administration Office on 3383 7090 or contact the SAC Coordinator at the SAC building at St Anthony’s (0417 783 965). A Vacation Care Program is available at St Anthony’s through the same organisation.

All families are strongly encouraged to register their children for SAC, even if there is no plan to use it on a regular basis. It is a good back up for families when emergencies and unforeseen circumstances prevent usual drop-off and collection arrangements being met.

ABSENTEES

In the case of student absence, please advise the school as soon as possible by leaving an explanatory message on the Absentee Line (3820 1244). Written advice relating to a child’s ongoing care following the absence is also required.

Please try to ensure that medical and dental appointments be made, as far as possible, outside school hours. Holidays taken outside school holiday times for more than 10 consecutive days will require parents to apply to the Non State School Accreditation Board (NSSAB) for an exemption from compulsory schooling. These application forms are available from the school office and once filled in are to be returned to the school to be processed and forwarded to the NSSAB.

ATTENDANCE POLICY

RATIONALE
St Anthony’s Catholic Primary School believes that regular attendance at school increases the opportunity for children to participate in the life of the community and to optimise students’ learning. The Education Act requires that children of school age (six-fifteen years) resident are required to be in full-time attendance at a government or registered non-government school unless they are receiving approved home tuition, correspondence education, or have been granted an exemption by the Education Department.

Education is a sequential process. Absences often mean students miss important stages in the development of topics, causing them to find ‘catching up’ difficult.

Absenteeism contributes significantly to student failure at school.

All enrolled students are required to attend school unless reasonable and valid grounds exist for them to be absent.

If Students are missing from school for more than 10 consecutive days (due to illness or holidays). Parents are required to apply to the Non State School Accreditation Board (NSSAB) for an exemption from compulsory schooling. These application forms are available from the school office and once filled in are to be returned to the school to be processed and forwarded to the NSSAB.

**AIMS:**

This policy aims to maximise student learning opportunities and performance by ensuring that children required to attend school do so regularly, and without unnecessary or frivolous absences.

**IMPLEMENTATION:**

Agreed Practice:

Rolls are marked twice daily and all absences noted. All absentee notes must be signed and dated by the teacher. At the end of each week rolls are collected, checked, signed and dated by the Assistant Principal and at the end of each Term all notes are collected and filed in the students file. At the end of each Year the rolls are collected by the school secretary and stored in the archives. These are then kept for the period prescribed by the Education Act. Parents are reminded by newsletter to contact the school by letter or phone on the absentee line (3820 1244) to advise of a child’s absence. Phone messages and emails are passed onto the relevant teacher. Phone messages must be followed up with a written note on the child’s return.
If concerned about a student’s attendance history, a teacher will inform the Principal or Assistant Principals or Student Secretary who will endeavour to contact the parents by phone to discuss the child’s absences. If absences continue, a letter is sent advising the parents of the legal requirement to attend school on a daily basis. A date is given by which time the parent needs to respond. If attendance remains a problem, a notification is sent to Brisbane Catholic Education Centre - Student Protection Officer to report the poor levels of attendance. A meeting will be set up to meet with the parent, staff and a member from Brisbane Catholic Education. BCE will then write to the parent setting a date by which the parent needs to respond. If no improvement in attendance is made, BCE and the School will notify the Non–State School’s Office. If a student is absent without notification over an extended period of time, attempts will be made to contact the parent. The roll will be marked as absent until the students returns or until the school is notified that the child has enrolled at another school.

Our Expectations

- Illness is reasonable grounds for an absence, shopping excursions or birthday parties are not.

- Parents have a responsibility to ensure that their children attend school regularly, and are only absent if ill or if absolutely necessary.

- Parents have a further responsibility to provide a written note or return a completed absence form (See Form 1 below) to the school explaining why an absence has occurred.

Our Commitment

- The principal has a responsibility to ensure that attendance records are maintained and monitored at school.

- All student absences are recorded in both the morning and the afternoon by teachers.

- Brisbane Catholic Education Centre, Non-State Schools Accreditation Board, DEERW auditors as well as the Courts may seek student attendance records.
• The principal has a further responsibility to ensure that unexplained absences are investigated, and that high levels of absenteeism are adequately explained. (See Form 2 below).

• The principal will contact parents of students with high levels of unexplained or unapproved absences, with the view to developing and implementing strategies to minimise absences.

• Ongoing unexplained absences or lack of cooperation regarding student attendance will result in a formal attendance conference being organised.

Unresolved attendance issues may be reported by the Principal to the Department of Child Safety.

• Student attendance and absence figures will appear on student half year and end of year reports.

• Aggregated student attendance data is reported to Brisbane Catholic Education, Non-State Schools and the wider community each year as part of the annual report.

Evaluation:

This policy will continue to be evaluated annually as part of the school’s Strategic Renewal
