CONCESSIONS:
The school is committed to working with families who may be experiencing financial hardship. Families seeking a concession should complete a **2027 Concession Application Form**, available from the Finance Office. Applications are assessed confidentially based on the family's demonstrated capacity to pay, taking into account information provided by the family and nationally recognised poverty scales.

Concessions are assessed on an annual basis and apply only to the school year for which the application is made. A new application must be submitted each year, as concessions cannot be granted retrospectively for previous school years. Families granted a concession are required to maintain a FACTS Direct Debit or Centrepay payment arrangement.

Applications for 2027 concessions close on **Friday 30 April 2027**. Concessions do not automatically continue from one year to the next.

ACCOUNTS IN ARREARS:
School fee accounts are payable by the due date specified on the Statement of Fees and Levies, unless an agreed payment arrangement is in place. Families experiencing difficulty meeting their payment obligations are encouraged to contact the Finance Office as soon as possible to discuss suitable payment arrangements.

Where accounts remain outstanding and no payment arrangement or communication has been received, the school will undertake a series of reminder and follow-up processes. Where reasonable attempts to establish communication and payment arrangements have been unsuccessful, the account may be referred to a commercial debt recovery agency
