CONCESSIONS:

The school considers applications from families who are experiencing difficulties meeting the cost of fees but does not grant concessions for fees that are in arrears. Families needing a concession must complete a **2026 Concession form** as concessions do not continue automatically from one year to the next.

The decision to grant a concession is made on the family's assessed ability to pay based on information disclosed by the family and nationally recognized poverty scales.

All families granted concessions are required to use the Direct Debit or Centrepay method of payment. Applications close on **Friday, 3rd April 2026**.

ACCOUNTS IN ARREARS:

Payment of Term accounts should be finalised two weeks after issue (unless on an agreed payment plan), that is, usually during the fourth week of the school term. Accounts not paid by this time are referred to the School Principal for action including the use of a commercial collection agency. All debt recovery costs associated with such services will be passed onto the families concerned.
